Skills

LEADERSHIP

- As a board member of the Athletic Leadership Council, I was responsible for planning, delegating, and executing for various spirit events throughout the school year.

TECHNICAL

- **Software:** Adobe Photoshop, Microsoft Office (Word, Excel, PowerPoint), Unity, Blender
- **Languages:** C++, Java, C#, Swift, Python

Projects

IOS APP DEVELOPMENT | FLORIDA STATE UNIVERSITY | NOVEMBER 2021

- Worked as a team to brainstorm an original app idea and create wireframe concept
- Proposed app would filter twitter posts to help the user find deals on videogame related products
- Developed the app using Swift incorporating a database and utilizing other outside APIs (e.g., Twitter)

VIDEOGAME DEVELOPMENT | ESSEX HIGH SCHOOL | JUNE 2020 – FEBRUARY 2021

- Developed a series of short videogames, utilizing Unity, C#, and C++, to host on my website
- Improved programming knowledge through experimentation with new technologies (e.g., networking)

Experience

CENTER STORE ASSOCIATE | HANNAFORD | MAY 2019 – NOVEMBER 2019

- Restocking shelves and coolers
- Unloading product from delivery truck

CASHIER/SALES ASSOCIATE | LITTLE CAESARS LLC | JULY 2020 – PRESENT

- Taking orders and running the register
- Cooking and assembling orders
